## WORK EXPERIENCE

### MeaVana

Business Development Intern

Remote

August 2025 – Nov 2025

- Executed outbound business development to VCs/angels (prospecting, cold-email sequencing); built a CRM pipeline, leveraged presentation and communication skills in investor demos, and converted feedback into business strategy actions using strong problem-solving to prioritize and book an intro call, demonstrated exceptional interpersonal skills and organizational skills

### Adidas

Financial Forecasting & Data Analytics Intern

Kwun Tong, Hong Kong SAR

June 2025 – Sept 2025

- Scoped and co-led an Alteryx flow standardizing data extracts; processed ~250k rows/refresh, cut refresh time by 70%, and reduced manual data touches by 55%
- Led month-end PPV & stock-revaluation reconciliation, demonstrated attention to detail skills by resolving 27 discrepancies totaling \$1.2M (miscodes, timing accruals), shortening close by 4-6 hours with IFRS/SOX audit-ready documentation
- Productized analytics: standardized templates/SOPs & KPI views, reducing ad-hoc requests by 40%
- Utilized analytical thinking by building SQL/business models + data visualization for PPV/stock revaluation/variance bridge; cut time from 12→3 min (~75%), ensuring Power BI refreshes

### PwC

Tax Consulting Intern

San Francisco, California

Jan 2025 – April 2025

- Executed 6+ federal/multi-state corporate tax returns, cleansing large datasets in Excel – cutting review-cycle errors by 20%
- Authored concise issue briefs/tech memos (identified \$180K credits) for stakeholder decisions and audit readiness
- Built a VBA work-paper template that trimmed return-prep time by 15 % while ensuring full SOX-compliant documentation
- Collaborated cross-functionally with audit, advisory, and client compliance teams through Outlook to deliver comprehensive analyses and detailed filing timelines, securing 100% on-time completion of all quarterly and year-end statutory tax filings

### NextGen Plastix

Remote

Finance/Research Intern

April 2024 – Sept 2024

- Ran a lightweight budget management and report cadence on a \$3,000 R&D fund; reallocated spend – 15% via prioritization
- Oversaw projects that executed a structured stakeholder outreach plan (100+ experts, 25% responses) to inform requirements for sustainable packaging options; synthesized detail-oriented findings into an actionable brief

## LEADERSHIP AND INVOLVEMENT

### Professional Mentor

La Jolla, California

UCSD Phi Beta Lambda

Dec 2023 – April 2025

- Coached and mentored 20+ undergraduate members via personalized career counseling, leadership development, and professional skill-building, achieving a 20% increase in member engagement and a 15% rise in internship placement rates
- Delivered interactive workshops on resume optimization, interview simulation, and strategic networking, resulting in a 25% surge in successful internship applications among mentees and fostering a collaborative, high-impact learning environment

### Finance Intern

La Jolla, California

UCSD Hong Kong Student Union

Nov 2023 – June 2024

- Spearheaded the club's comprehensive budgeting process, successfully reducing annual expenses by 10% through drafting weekly and monthly financial reports to track organizational finances and guide data-driven decision-making \$1,000, and also secured crucial sponsorships, culminating in a 25% increase in our club's financial resources
